A CONTEXT RESOURCES

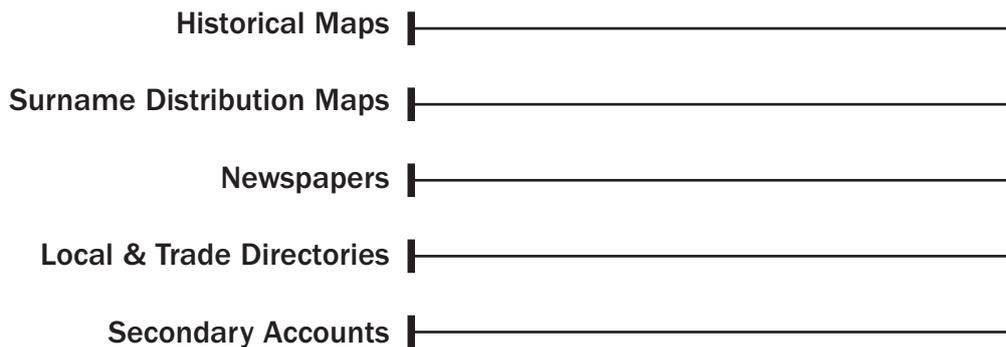

ERA: _____

PLACE: _____

How confident are you at identifying good context resources for this time and place?
Put an 'X' on each line below to start shaping your approach.

Very Confident

I'd like to understand more

*If your answers
are closer
to this end,
check out the
suggested
resources in
your handout*

My notes on the useful 'Context Resources' mentioned during the talk:

B STUMBLING BLOCKS

Which challenges do you think are more likely to arise during your research?

SURNAME: Variants & mis-transcriptions

MIGRATION (Places involved?)

ACTIVE NAME CHANGE

RECORD GAPS (Detail here)

REMARRIAGE

OTHER (Detail below)

DEATH OF BREADWINNER

How are YOU going to respond to these?

C FINDING YOUR DIRECTION

Write your 'leading theory' for your research below
Add some alternative scenarios too, to keep an open mind
